

# Multi-Tier Systems of Support (MTSS) in Light of the Common Core; Getting Intervention Right!

*with Kevin Feldman PhD*

**Oct. 2, 2014**

**8:30 – 3:30 (Registration 8:00 – 8:30)**

This workshop will provide evidence based practices to enhance both literacy instruction and intervention, as well as to consider Multi-Tier Systems of Support and The Common Core State Standards. Via video modeling, group discussion and interactive application opportunities, participants will gain strategies to assist struggling 4<sup>th</sup> – 12<sup>th</sup> grade students (with the ultimate goal of success in all subjects). Individuals are welcome, but school site teams are encouraged to attend.

***Suggested Audience: Upper Elementary through High School English Language Arts, Intervention, RSP and ESL support staff; curriculum directors or site administrators***

***Register online at:***

***[www.regonline.com/gettinginterventionright](http://www.regonline.com/gettinginterventionright)***

***Make purchase orders to: Focus on Unity in Education***

***TEAM BONUS! Register a team of 3 from your school site,  
and you will receive one additional Oct. 2<sup>nd</sup> registration for FREE!***

***Early Registration through Sept 19<sup>th</sup> \$50; Late Registration after Sept. 19<sup>th</sup> \$75***

**Note: Principals, instructional coaches and content area teachers are encouraged to attend the complementary workshop to this one entitled: *Keys to Increasing Student Achievement*.**
