

Updated and Back by Popular Demand! A highly interactive workshop for school site teams!

**Multi-Tier Systems of Support (MTSS)
in Light of the Common Core;
Keys to Increasing Student Achievement!
with Kevin Feldman, PhD**

Oct. 1, 2014

8:30 – 3:30 (Registration 8:00 – 8:30)

High levels of students engagement, content text comprehension and higher order questions are an important part of meeting Content Core State Standards. This workshop provides individuals and school teams evidence based practice, video modeling and interactive opportunities to plan for (and apply) strategies to enhance classroom instruction and student achievement for all.

Suggested Audience: Principals, instructional coaches & content (science, history, ELA, math, etc.) teachers

Register online at:

www.regonline.com/mtssinlightofthecommoncorestatestandards

Make purchase orders to: Focus on Unity in Education

TEAM BONUS! Register a team of 3 from your school site for \$50 each & receive an additional Oct. 1st registration FREE!

Note: For maximum benefit, schools are encouraged to send complementary teams of ELA, ELL, RSP, literacy coaches or principals to the related workshop:

"Getting Intervention Right" Oct. 2, 2014.
